Validity extension

Validity Extension by STV/ Combo Vouchers and TOPUP recharge facility to GP-I/GP-II customers (Grace Period I and Grace Period II).:
The main validity extension by the recharge of STVs/Combo vouchers of MRP equal to or less than Rs.74.(Except STV 49) is restricted for the active customers

Top up Recharge facility extended to GP-II (Grace Period II) customers is withdrawn with effect from 30.08.2020

Use My BSNL App (or) portal.bsnl.in for TOPUP/Plan Validity extension/Plan Migration/Special Tariff Voucher(STV) Activation.

Validity extension by STV/ Combo Vouchers For all active customers :

"The subscriber has to recharge with Plan voucher after every "plan/recharge validity" period or any applicable recharge to avail the benefits under tariff plan. In case of recharge with applicable STV/Combo voucher, the validity of tariff plans will be extended corresponding to validity of that STV/Combo voucher. In case of non-recharge with plan voucher or any applicable recharge at the end of validity period, BSNL reserves the right to provide the plan benefits in a curtailed manner during the grace period with GP-I of 7 days and GP-II of 165days. In case this recharge condition is not met, post the grace period, the services will be suspended."

Withdrawal of the PV74 "per second plan and PV95 "Advance per second plans"wef 01.12.2020
 The customers of these closed plans are migrated to "Premium per second plan" PV106.
 Also, the automatic validity extension in GP-I is done with "Premium per second plan" PV106 for the closed plans of PV74 "per second" plan and PV95 "Advance per second plans".

Rationalization of Automatic validity extension in Grace period-I (wef 07.08.2020)

A. For active plans: - Deduction of Rs.2 from main balance on the second day of GP-I and revert the connection in active state for 3 days in the same active plan without any freebies.
Note:- However, the automatic validity extension scheme for customers having balance more than or equal to "Plan voucher" amount, then Plan voucher amount is reduced from main balance and the customer is reverted back to active in the same active plan with applicable freebies.
B. For the closed plans(i.e Plans not in offer): - Deduction of Rs.2 from main balance on the second day of GP-I and revert the connection in active state for 3 days in the "Premium Per Minute" plan without any freebies.
Additional condition:- For customers of closed plans having balance more than Plan voucher amount of "Premium per minute" plan, the Plan voucher amount is reduced from main balance and the customer is reverted back to active state in "Premium Per minute" plan.
For customers of the closed plans having balance, Rs.2/- or more but less than plan voucher amount of "Premium per minute "plan, then the validity is extended for 3 days in "Premium Per minute" Plan without freebies after deducting Rs.2/-.

Multiple recharging facility using selected STVs/PVs

STVs: 98 99 118 187 198 201 319 429 599
PVs:153 199 399 485 666 997 999

This concept is applicable for the customers those who do second recharge or third recharge of the above STV/PVs.
 If the customer has the above mentioned LIVE packages (first recharge) , and again if the same MRP recharge is made(second recharge) the second recharge will be added and along with this, already existing FEATURE will be removed. Resubscription will happen automatically for the second recharge done.
 Similarly, if the same MRP recharge is made (third recharge) the third recharge will be added and along with this, already existing FEATURE will be removed. Resubscription will happen automatically for the third recharge done.
 If the customer tries to make the 4 th recharge on the same day , the recharge will be rejected.
 Again on the next day he/she is eligible for another two recharges of the same MRPs.
 Necessary plan validity and freebies validity will be set through backend.
 The accumulated end date of the FEATURE, PLAN VALIDITY will be backend updated
(the list of STVs/PVs having multiple recharging facility is subject to changes)
