

CHOOSE YOUR MOBILE NUMBER(CYMN) SCHEME

This Scheme is named as “CHOOSE YOUR MOBILE NUMBER” empowered the prospective customers to choose from the entire pool of say one lakh numbers by making them accessible through website. A PIN creation on the customer’s mobile/web site is added to identify the allottee of the number.

CHOOSE THE NUMBER THROUGH INTERNET:

- The process allows a customer a large range of numbers to choose from.
- Customer can visit www.chennai.bsnl.co.in and select the numbers of his choice.
- After the number selection a dialog box will open in which customer has to enter his mobile number.
- In turn customer will get a 7 digit PIN Number on his mobile as well in the website.
- Customer need to input the 7 digit PIN in the web site for confirming the selection of the mobile number.
- Now the selection of his choice of mobile number gets completed.
- The PIN will be valid for 72 Hrs.
- Now the customer is free to approach Nearest CSC/Franchisee and inform him the mobile number and the PIN received to get the selected choice of number across the counter by submitting the required documents.
- A Customer can choose only one mobile number per day.

CHOOSE THE NUMBER THROUGH SMS:

- Customer should send a SMS through his mobile to the designated short code 53734 for BSNL mobile and 9400012345 for others.

- SMS Format

NLIST<Space>Abbreviated circle code (CHN) <space>1-5 digits (ending with choice digits 1-5)

Ex: NLIST<space>CHN<space>00275

- The customer will get up to 10 numbers for his choice and allowed to select one among them within 30 minutes.
- The customer can reserve the number by sending the following SMS to 53734 for BSNL mobile and 9400012345 for others.

CONF<space>Selected GSM Number

- If confirmed customer will get a 7 digit PIN Number. If not customer will get the non availability of chosen GSM Number.
- This PIN is also valid for 72 Hrs.
- Now the customer is free to approach Nearest CSC/Franchisee and inform him the mobile number and the PIN received to get the selected choice of number across the counter by submitting the required documents.

CHOOSE THE NUMBER BY FRANCHEE/RETAILER –through CTOPOP:

- FRANCHEE/RETAILER can send an SMS to the designated short code through his CTOPOP Mobile number

NLIST<Space>Abbreviated circle code (CHN) <space>1-5 digits (ending with choice digits 1-5)

Ex: NLIST<space>CHN<space>00275

- Franchisee/Retailer will get 20 numbers for his choice and allowed to select one among them at time.
- This list of numbers will be available to that franchisee/retailer for 4 Hrs so that they can release these numbers to the customer as per choice.
- Once the number is selected, he has to give a confirmation by sending SMS to 53734 as follows.

CONF<space>Selected GSM Number
