In case of recharge with applicable STV/Combo voucher, the validity of tariff plans will be extended corresponding to validity of that STV/Combo voucher. In case of non-recharge with plan voucher or any applicable recharge at the end of validity period, BSNL reserves the right to provide the plan benefits in a curtailed manner during the grace period with GP-I of 7 days and GP-II of 165days. In case this recharge condition is not met, post the grace period, the services will be suspended.	A. For active plans: - Deduction of RL 2 from main balance on the second day of GP and revert the connection in active state for 3 days in the same active plan without any freebies. Note: However, the automatic validity extension scheme for customers having balance more than or equal to "Plan voucher" amount, then Plan voucher amount is reduced from main balance and the customer is reverted back to active in the same active plan with applicable freebies. B. For closed plans: - Plans not in effect: - Deduction of RL 2 from main balance on the second day of GP and revert the connection in active state for 3 days in the "Premium Per Minute" plan without any freebies. Additional condition: - If for customers of closed plans having balance more than Plan voucher amount of "Premium per minute" plan, the Plan voucher amount is reduced from main balance and the customer is reverted back to active state in "Premium per minute" plan. - If for customers of the closed plans having balance, Rs.2/- or more but less than plus voucher amount of "Premium per minute" plan, then the validity is extended for 3 days in "Premium per minute" Plan without freebies after deducting Rs.2/-	STVs: 98 99 118 187 198 201 247 319 429 499 599 PVS:153 199 399 485 666 997 999 This concept is applicable for the customers who do second recharge or third recharge of the above STV/PVs.
