Bundled WiFi ONT with FTTH connections in selected PAN India Bharat Fibre Broadband plans under committed payment options in all circles.

1. In order to offer Bundled WiFi ONT, following has been decided by the competent authority:

a) Offering bundled WiFi ONT with FTTH connections in selected PAN India Bharat Fibre Broadband plans under committed payment options in all circles. Details are as below:

(i) For main land telecom circles/metro districts:

S.No	Fixed Monthly Charges (FMC) of PAN India FTTH plan (in Rs.)	Committed period	Type of WiFi ONT provided by TIPs to Customers
1	599/799/999/1499	6 months	Single Band WiFi ONT
2	599/799/999/1499	12 months	Dual Band WiFi ONT

b) Above charges are excluding GST.

c) Since above bundled WiFi ONT is available with committed plans, therefore, no refund will be made in case of disconnection within committed period.

d) No other discount/offer shall be clubbed with this offering. However, installation charges for such connections shall be as per prevailing scheme.

e) WiFi ONT shall be supplied directly to customer by partner without additional cost and at the time of surrender of connections, the ONT will be the sole property of TIP. All the supports required by the Customer w.r.t. ONT shall be provided by TIP.

f) The quantum of realized revenue with 'OTT' service providers shall be shared as per agreement.

g) Customers may be advised to opt Dual Band WiFi ONT to get optimum bandwidth under Fibre connections.

Above instructions shall be effective from 01-10-2022
